Card Advertisements

The Show Management has decided to permit participants in the show to place business cards or placards before their exhibits if they wish to do so.

There will be no charge for the display of these cards or placards but exhibitors will ensure that they conform to the following conditions:-

(a) Business cards or placards should not be larger than:

10"x3" for Group Display or Collection of Plants.

4"x3" for individual plants.

(b) They should be neat and well printed.

Members of the show committee will remove any cards or placards that do not conform to the rules.

This new ruling should be advantageous for stall-holders, especially nurserymen as it would be a most convincing form of advertisement for the sale of their products or plants.

Don't miss this opportunity!

JU ENG SCHOOL

205, Jalan Kayu,

Singapore, 28.

Tel: 8 1 2 3 4

10th June 1968.

The Director,

Botanic Gardens,

Cluny Road,

Singapore.

DBG 249/68

Dear Sir,

As the Education Ministry recently started a tree-planting campaign, I would very much like to have some planted in the school field. I understand that any school can approach you for help should need arise.

The type of tree I have in mind must be big and shady. Could you kindly suggest the name of such a tree? Incidentally, could you supply us 30 saplings known as the Flame of the Forest? I would like to plant them in the school playground.

Yours truly,

[Signature]

(for Principal)

Mr. H. P. H.
